DETAILED ACTION

Allowable Subject Matter

1. Claims 1-11,13,14 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant's arguments filed 11/07/06 with regards to claims 11 and 13-14 have been fully considered and are persuasive. The prior art cited of record does not anticipate individually nor in combination
 - A manually controllable motorcycle headlamp including a three point mounting assembly integrated to a rear side of the headlight housing including a ball provided at a free end of the mounting shaft, the ball matingly received in a mating socket formed in a portion of the headlight wherein said adjustment mechanism enables movable adjustment of the headlight relative to the mounting shaft, and a pair of extendable and rotatable positioning arms each attached to said headlight at one end and adapted to be rotatably attached to the frame at another end;
 - A manually controllable motorcycle headlamp including a headlight housing, a mating ball provided at one end of a ball shaft, the other end of said ball shaft adapted to be rigidly affixed to a motorcycle frame, wherein the ball and socket are matingly engaged to a ball and socket joint structure enabling rotational and translational movement of said ball and socket relative to one another; and a positioning arm having one end attached to said headlight housing via a retaining boss integrally provided on said housing, and an opposite end adapted to be

rotatably attached to the motorcycle frame, said positioning arm being adjustable lengthwise and movable both rotationally and translationally relative to the retaining boss.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
